

# Blythe Paynter

Writer/ Director

---

## Bio

---

### Blythe Paynter

Norwich, NR3 1SW

07549 151332

B.Paynter16@gmail.com

Writer and director with a passion for creating LGBTQA+ and Neurodivergent stories. I strive to create the media I wish I had while growing up, with complex characters instead of tokenized queer/ neurodivergent characters. I aim to develop my own recognizable visual style, such as Tim Burton and Wes Anderson. I have begun to experiment and achieve this style in my latest short film Finger Guns.

---

## Skills

---

**Leadership/ Project Management:** Step up when needed, while making sure all voices and ideas are heard.

**Communication:** Ability to communicate ideas and information using visual, audio references alongside verbal communication .

**Problem Solving:** Refined problem solving skills, with the ability to think ahead and prevent future issues from arising.

---
